I fully sympathize with the Board's resolution to lighten the municipal taxation. This is heavy enough in all conscience being Rs 2.11.3 per head of population against 0.11 9 in Kolar & 0.7.7½ in Dumka. It exceeds the incidence in every other District by a great deal. Port Shimoga is in a bad way. The town is visibly declining, the population is reduced to 6240 - about ½ of what it used to be in its halcyon days. The tolls bring in about

a year. Judging from the reports regarding manganese industry in this District, this income may be expected to be maintained for some years. In fact it may increase.

Jaggery brings in 75 Cr, a year In European countries a bounty is given to farmers of Sugar In India we tax them and leave the way to Cheap Sugars from foreign Countries, Kerosine oil has nearly supplanted oil, of local manufacture The protection of the latter, was doubtless in view when the Board proposed to exempt them from Octroi Duty only a few months, -

I would strongly support the Board's prayer and abolish the petroleum jagging & oils other than kerosine - The charges for the water supply and drainage works finishing must fall on the Provincial funds. The municipality can hardly be expected to contribute materially towards these works

The President, Shimoga Municipality, recommends the abolition of octroi on jaggery and oils(other than Kerosine), as a large sum of Rs 9,000 is realized from tolls.

The present financial condition of the Board is not however flourishing, as the closing balance is less than the prescribed minimum working balance by Rs 755.

The First Councillor is not in favour of sanctioning the abolition, as water and drainage works have to be carried out in Shimoga, while the Second Councillor is for lightening the municipal taxation, which he considers to be very heavy It will be seen from the statement in the office note that the incidence of taxation per head of population amounts to Rs 2-11-3 in Shimoga, while it is only 0-11-9 and 0-9-10 in Kolar and Tumkur

The amount of taxation proposed to be remitted is about Rs 350 per annum and is a small sum itself.

As the Municipal Board advocate the

remission, I agree with the Second Councillor in recommending that the proposal may be sanctioned

To
K.S. Chandrasekhara Iyer Esqre
Secretary to the Government
of H H the Maharaja of Mysore
General and Revenue Dept

Sir,

I have the honor to report that at the Municipal Meeting held in Shimoga on the 30th June 1906 it was resolved that octroi duty on Joggary and on all oils

Other

Other than Kerosine oil be abolished in the Shimoga Municipality.

The average annual income from Joffary since the year 1894-95 to 1904-05 is Rs 250/- and that from oils is Rs 100/- It is not possible to find out the exact amount of duty realized from other oils than Kerosine oil It may however be said that the duty Collected on oils excluding kerosine oil is small

As a Sum of Rs 9000/ has been realized from Tolls, I request that Sanction of Government may be kindly obtained for the abolition

of

duty on joggary and on all oils other than Kerosine oil

Copy of the Board's Resolution is hereunto forwarded for information.

I have the honour to be
